NCEL Internship Program 2025

About NCEL:

The National Cooperative Exports Ltd. (NCEL) was set up in 2023 by the Ministry of Cooperation and established under the Multi-State Cooperative Societies Act of 2002. NCEL is strategically positioned to contribute to India's ambitious objective of achieving a 5% share in global agricultural exports by 2030. The core objective of NCEL is to promote and facilitate exports of agricultural commodities produced by Cooperatives, Farmer Producer Organizations (FPOs), and other farmer collectives. As the national-level organization tasked with this mandate, NCEL works closely with various stakeholders across the agricultural value chain to enhance market linkages, improve quality and standards, and provide necessary support services to boost the competitiveness of Indian agricultural and allied sector exports. All cooperative societies in the country, from the level of primary to apex, that are interested in exports, are eligible to become NCEL members.

Internship Overview:

NCEL is offering exciting internship opportunities for talented and motivated individuals across various domains, including IT, Agriculture and allied sectors, Economics, International Trade, and Data Analysis. As an intern at NCEL, you will have the opportunity to work on meaningful projects, gain practical experience, and contribute to the organization's mission of promoting agricultural exports.

Eligibility:

- Current students or recent graduates from relevant fields such as IT, Agriculture and allied subjects, Economics, International Trade, or Data Analysis
- Strong academic background and excellent analytical skills
- Proficiency in MS Office and relevant software tools
- Excellent communication and interpersonal skills
- Ability to work independently and in a team environment

Responsibilities:

- Assist in research and analysis related to agricultural exports, market trends, and global trade
- Support the development and implementation of IT solutions to streamline processes and enhance efficiency
- Contribute to data analysis projects, including data collection, cleaning, and visualization
- Assist in the preparation of reports, presentations, and other documentation

**International Year
of Cooperatives**

Cooperatives Build
a Better World

- Participate in meetings and discussions with stakeholders and team members
- Support other tasks and projects as assigned

Duration:

The internship duration is flexible and can range from 2 to 3 months, depending on the candidate's availability and the project requirements.

Duration & Stipend:

- Internship duration: 2 to 3 months, depending on the candidate's availability and project requirements
- Monthly stipend: Rs. 5,000/- (No TA/DA will be provided)

Place of Work: 8th Floor, Tower-I World Trade Centre, Nauroji Nagar, New Delhi, 110029

How to Apply:

Interested candidates should attach their CV* and cover letter along with an Educational Background Sheet provided in the link below. The Educational Background Sheet should provide a quick overview of the candidate's academic qualifications, relevant coursework, and any prior internship or project experience.

Selection Process:

Shortlisted candidates will be invited for an interview round over phone call/zoom call, which may include technical information around the subjects.
